

## **ClearBakk Water Solutions Partners with Lonatrex Corp**

**Calgary, CANADA, May 17, 2017** - ClearBakk Water Solutions ("ClearBakk") is pleased to announce that we are working with Lonatrex Corporation ("Lonatrex") who will act as a representative for ClearBakk specifically, but not limited to, for the design, supply and implementation of water and wastewater treatment systems and sea water desalination projects in the Middle East.

We at ClearBakk are comfortable Lonatrex will represent us in a professional manner ultimately helping us grow our customer base and help assist us in evaluating the growing needs of our clients.

Lonatrex is a company involved in the Water/Wastewater Treatment market. They are focused on Potable Water Production Systems, Waste Water Treatment Systems, Oil and Gas Produced Water Systems and Sea Water Desalination Projects.

ClearBakk are a premier fluid management and environmental solutions company. We manage all aspects of water to maximize reuse and provide safe discharge in a variety of industries ranging from the Oil and Gas industry, all the way to the Food and Beverage Market.

With a proven track record working with some of the biggest names in the Petroleum industry, we provide a full turnkey solution from design to commissioning that can be customized to fit your specific water and wastewater needs.
